Dear friends and colleagues,

I would like to convey my sincere appreciation of all your efforts to promote integrity throughout the world and wellbeing of humanity. I am so pleased to serve my country from 2013 to 2019 as the President of the organization. As one of the judges of the IR of IRAN, now I have to serve in a different field. I have enjoyed my time working with you all and I treasure the huge support from you all during my term at the GIO. Your dedication to enhance integrity throughout the globe is truly appreciated beyond any words. Again, I thank you for your friendship and cooperation and I hope your continued support will be given to the GIO of IR IRAN and the new president of the organization.

Best regards,

Justice Naser SERAJ
