Dear colleagues and friends,

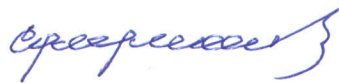

I would like to extend my sincere gratitude to all of you for our joint efforts for promotion and protection of human rights. It has been always great pleasure for me to serve my country as the Ombudsman and do my best to protect and promote human rights and raise the public awareness in this field during my term.

I have always attached great importance to cooperating with my counterpart institutions, promoting respect to human rights, being a part of the great Ombudsmen family and taking action for peace and wellbeing of humanity throughout the world. I express my sincere wishes to you, your staff members and let you know that I always enjoyed my time working with you all and I gained great experience and knowledge from this collaboration.

I would like to thank you for your support, cooperation and friendship and hope that it will continue during the term of the new Ombudsman.
