Mr. Syed Tahir Shahbaz
President of the Asian Ombudsman Association, and
Federal Ombudsman of Pakistan

Excellency,

My name is Chan Tsz King and I hope this letter will find you well and in good health.

On the past December 20th, the Macao Special Administrative Region (MSAR) of the People's Republic of China celebrated its 20th anniversary. On the same date a new Chief Executive as well as the holders of key public positions in Macao took over their positions for the next 5 years.

I had the honor of being appointed as the new Commissioner against Corruption of the Macao SAR and, being a magistrate by career, I am totally committed to apply the best of my knowledge and experience in the leadership of the work developed by the Macao SAR Commission against Corruption (CCAC).

The ombudsman area is of utmost relevance in our strategy for the next years. Transparency, integrity and honesty on the local Government administration work are values that we share and we will continue to pursue in order to keep instill, both amongst public workers as well as on the general citizens, the conscientiousness needed to a healthy development of our society.

Asian Ombudsman Association (AOA), whose work have been superiorly directed by you, and the role of the Macao Commission against Corruption in its context is of particular importance for us.

As the new Macao SAR Commissioner against Corruption I would like to submit my compliments to you and emphasize my full commitment towards AOA, and AOA members, being fully available to participate and cooperate with the Association and its members to the best of my ability.
